OBJECTIVES

To build a professional and solid career enabling high achievements and team work within a reputable organization.

My core strengths include, but are not limited to the following:

- Operating effectively in a customer facing role in any fast moving retail environment.
- Always being friendly, keen and helpful.
- Determined to make customers happy by helping them find the product they are looking for.

I would be grateful for the opportunity to demonstrate my capabilities further at an interview.

In closing I would like to thank you for taking the time to consider my application, and I eagerly look forward to hearing from you.

Yours sincerely.
