Christmas Art Workshop

OVERVIEW

With the Christmas holiday on the door, we've created a well-planned 11 days art workshop that will allow kids and adults to have a great artsy experience, and walk away with a souvenir made with love and care.

PROJECT GOALS

1. The young will have a great artsy experience with handmade that they can take home as a souvenir
2. With the right marketing, parents will rush with their kids to ensure they'll be a part of this memorable week
3. It would be the start of a series of art workshops dedicated to holidays, ensuring the best experience to your clients

SPECIFICATIONS

This workshop will provide 6 different art activities along 11 days (4 hours each), each one gives the children the opportunity to get creative and take their handmades home. All art tools will be provided according to each activity (all tools are safe and child friendly). The zone decoration will be made with a Christmas theme and music. We will enter 10 kids each hour to ensure order and that everyone has a chance to participate.

Schedule

Day 1-2: Pottery

Each kid will be given a piece **of clay and carving tools** and mentored with our highly experienced team throughout the whole activity, ensuring the best knowledge and best skills.

Day 3-4: Painting

Canvas will be distributed to each child on an art board with brushes and paint. They will learn to **draw, paint and color mixing**. (We will give each child an apron so that he won't mess his outfit)

Day 5-6: Caricature Ink Art

Costumers will be drawn with caricature features on an A4.

Day 7-8: Jewelry design

Time to get creative! Kids will learn the art of **Jewelry design and finishing** while using the actual jewelry tools instructed by our team.

Day 9-10: Painting bags

Each kid will have his own fabric bag to creatively design and paint!

Day 10-11: Mixed Media Art

We will hand in canson paper and lots of magazines where kids will snip off colorful pieces and glue them into a painting of their own design.

PROJECT COSTS
