

COMO STORE

HISTORY:

Como Store was established in 2009. What started as a small shop selling clothes and shoes, it was clear that Como Store's customers were much interested in shoes. Starting with one brand, today Como Store is one of the leading multi-brand shoe stores in Lebanon. Focusing on social media, working with top bloggers and celebrities, today Como Store is a leader in social media networks. With 52.4K followers on Instagram and more than 216,000 followers on Facebook, it was clear of customer's interest in Como Store's concept and products. Today Como Store carries the top international shoe brands with a great international reputation for professionalism and work ethics.
