concept Founded over 30 years ago in Poland, INGLOT's international expansion began in 2006 with the opening of the first franchise store in Montreal, Canada. Fast growth made the brand available in 57 countries. INGLOT is available at over 450 boutique stores, stands and retail locations internationally - from the Americas, to Europe, the Middle East and Far East, as well as Lebanon.

INGLOT succeeded in combining technology with vibrant colors. Every product consists of high-quality ingredients and is being sold at competitive prices. All INGLOT cosmetics are produced within the European Union and 95% of them are manufactured in INGLOT's own state-of-the-art facilities.

The jewels in INGLOT's crown are its famous Freedom System and the revolutionary O2M Breathable Nail Enamel that ensures oxygen and water vapor permeability.

You are invited to meet the INGLOT team at our main store in Hamra (opposite H&M). The beautiful store is open seven days a week, 10 am to 10 pm. As well as offering the full range of INGLOT professional makeup product & services, the store also has a nail salon.

INGLOT is exclusively distributed in Lebanon by Glossy S.A.R.L.
