ABOUT US

“Let’s pop.Today” introduces handcradfted gelato on a stick with all natural ingredients.

We offer a traditional gelato treat by preparing it in the most genuine way, using only real fruit and a handful of ingredients.

All our Pops are natural and made fresh daily. Blending authenticity with innovation, we serve our gelato in a new way - on a stick, which is more fun, customizable, easier to eat and kind friendly.

At “Let’s Pop.Today” we pride ourselves on ensuring flavor in every bite and in providing you with an eventful, personalized and memorable exprience on each visit.

INGREDIENTS

All of our pops are made using just a handful of natural ingredients to ensure authenticity and good taste.

In order to offer a traditional gelato experience, Let's Pop.Today proudly selects all ingredients from a variety of sources. Each location sources top quality milk and fruit supplies that comply with our strict quality standards to guarantee the freshness and lightness to which customers are accustomed.

All of our pops are, gluten and preservative free with no artificial coloring.
